Global Hawk ETP Intefration Plan

**Maj Tim Burns
90G/GHPO**

OIF Success!

- **OIF model ensured unity of command**
- **ACTD Ku functionality holds the GH system together**

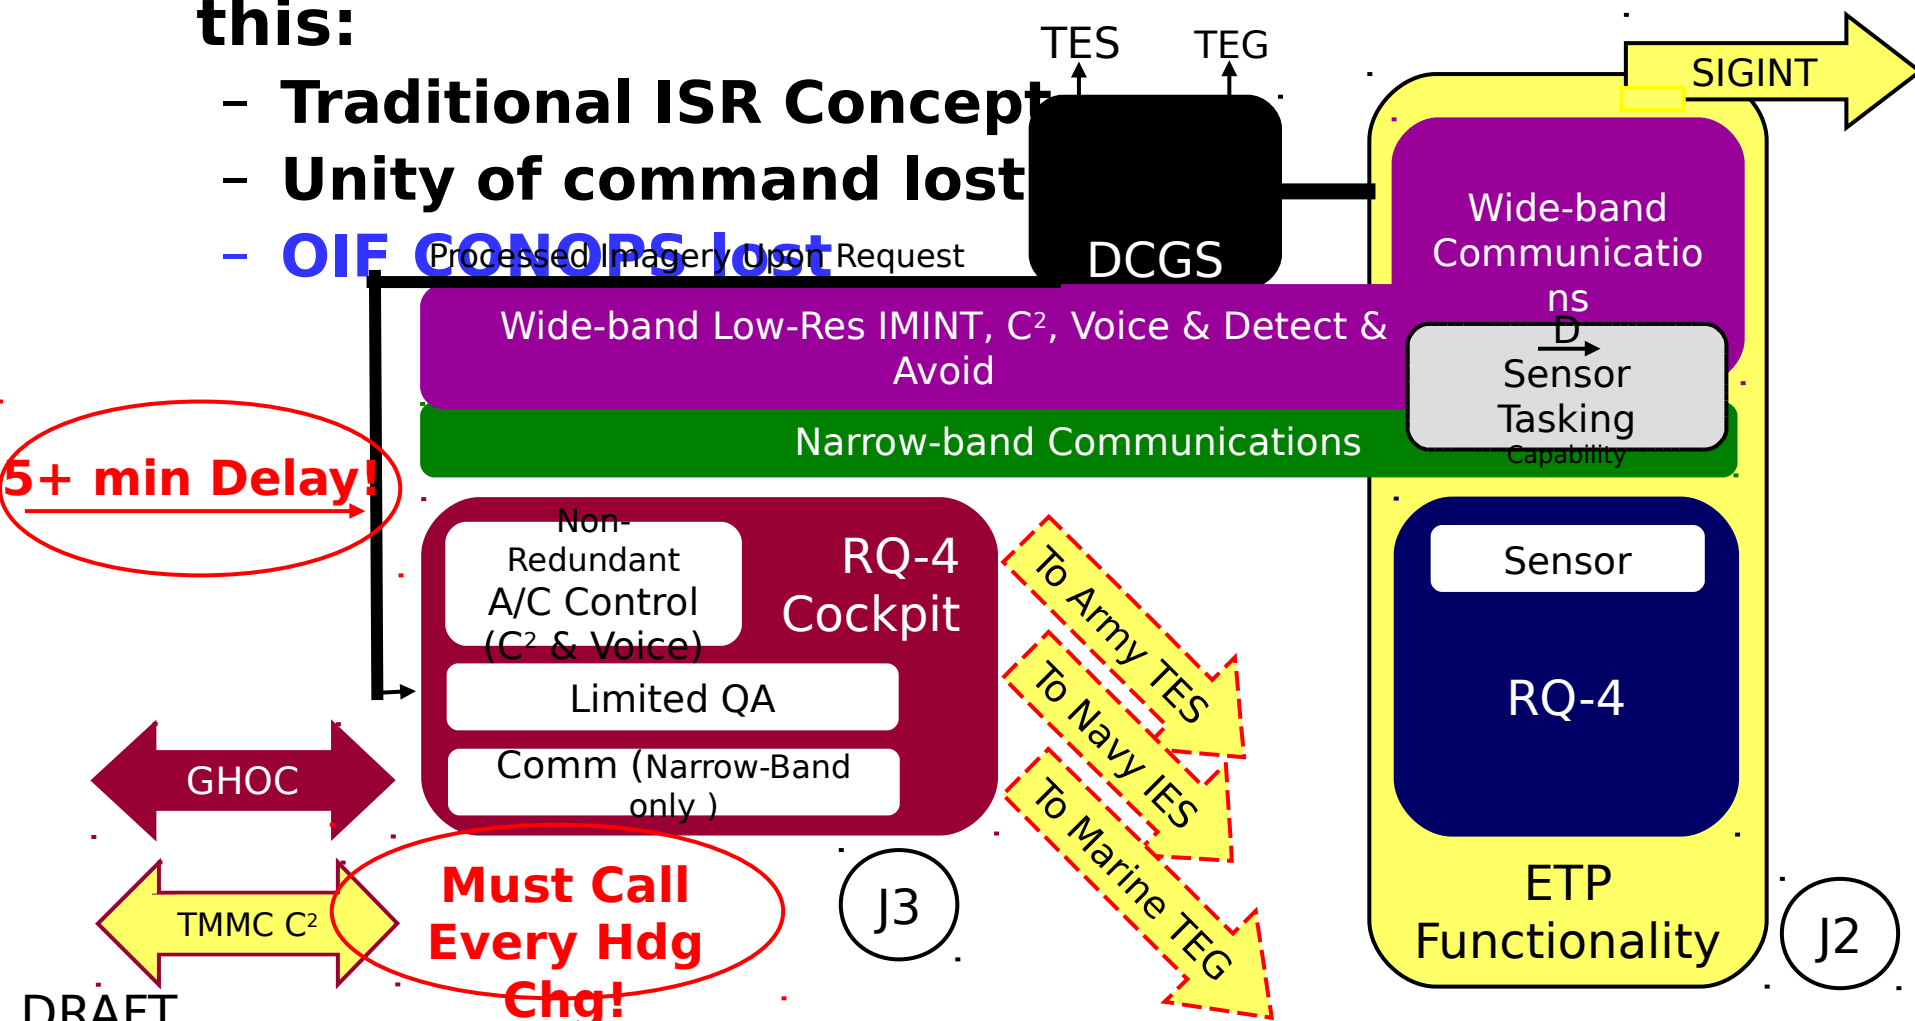

Current GH ETP

Integration vector

- **Air Staff (ACC/INZR) Policy is driving us to this:**

- Traditional ISR Concept
- Unity of command lost
- **OIF CONOPS lost**

Proposed GH ETP Integration Vector

- **ETP Dual Imagery Flow allows this:**
 - **Unity of command retained**
 - **OIF CONOPS retained**
